The Canterbury Bankstown Employment Forum aims to bring together employment & support services to network and work collaboratively with organisations to complement and support existing activities and services being undertaken by local organisations and community groups. This will enhance employment through the use of existing resources & enhance volunteering opportunities as a pathway to employment.

Funded by Canterbury Bankstown City. An initiative of The Multicultural Network, Metro Assist, TAFE NSW, Navitas, Salvation Army, Chester Hill Neighbourhood Centre, Canterbury City Community Centre, Department of Human Services, Melkite Catholic Welfare Association
